

# SCHOOL SWIMMING PROGRAM 2024

## WHY CHOOSE SALTWATER SWIM SCHOOL?

Saltwater Swim Schools are proud to be an active part of the community. Through our Schools program, our aim is to help bring the essential life skill of swimming to as many kids in the local community as possible.

### Flexibility

We are happy to work with you to provide a program to suit your school. Whether you need 5 or 10 days of intensive swimming or 30 to 45 minute sessions, we have a program to suit the ability and skill level of your students.

### Exclusivity

Unlike larger Aquatic centres, our swim school caters specifically for your school and it's needs. You will have exclusive access to our facility for the duration of your lessons.

### Water Quality

Combining Salt water with Magnesium minerals, our cutting edge pool filtration system ensures the highest water quality. Ideal for allergies and sensitive skin.

### Our Programs

With over 25 years of experience promoting water safety and awareness, our programs have been proven to provide the best pathway for your child to feel safe and comfortable in the water.

# SCHOOL SWIMMING PROGRAM 2024

64 STUDENTS PER 45 MINS

MAX TOTAL OF STUDENTS: 256

# ARE YOU ELIGIBLE FOR FUNDING?

**Through the Victorian Government, public schools are eligible for funding for their swimming programs.**

The Swimming in Schools initiative is designed to increase opportunities for students to learn how to swim, and ensure they develop lifelong skills in swimming and water safety.

By the end of Year 6, it is anticipated that students are able to demonstrate the skills and knowledge in the Victorian Water Safety Certificate (VWSC).

**If you are interested in completing the Victorian Water Safety Certificate with your higher grades, this is something we offer.** Our experienced teachers can work with your students to make sure they have a good understanding of what to do in an emergency, how to perform safe rescues and how to tread water and swim to safety using survival strokes.

**We can also run an intensive swimming program** with students, from beginners to more advanced swimmers. Learning these skills all the way from Prep will ensure by Grade 6, all students have the opportunity to be safe and comfortable in the water.

**To read more on what funding you are eligible for go to:**  
<https://www.vic.gov.au/swimming-in-schools>

**Catholic primary schools** will receive funding directly from the Catholic Education Commission of Victoria.

# SCHOOLS SWIMMING PROGRAM TESTIMONIALS

## MYRNIONG PRIMARY SCHOOL

The facilities, excellent organisation and extra support of students requiring it, was outstanding and at a level I personally hadn't experienced before in my 9 years teaching.

By far the best school swimming program and a credit to the effort and organisation that occurred behind the scenes from the Salt Water Bacchus Marsh team. (I must also mention the sensational coffee!!).

From the outset, the staff's approachable and friendly demeanor set a welcoming tone for our visits. Their dedication to ensuring the safety and comfort of our students was evident in every interaction.

The facility's cleanliness was impeccable, providing a hygienic environment for our young learners. The availability of spacious and well-maintained changing rooms ensured we had a smooth transitions before and after swimming sessions.

## BACCHUS MARSH PRIMARY SCHOOL
