

WELCOME TO TERM 2!

The importance of developing swimming skills and learning to love the water cannot be understated. As we enter Term 2, our team is committed to providing a safe and nurturing environment where everyone can maximise their potential. Whether it's watching a Toddler take their first tentative steps into the water or a seasoned swimmer refine their stroke technique, we are continually amazed and inspired by our students every single lesson!

We have a big term planned and can't wait to see everyone splashing and smiling in the water again. See you in the pool!

MAKE UPS - FACTS & TIPS

- To activate a make-up lesson, you must mark your absence in your Customer Portal at least 1 hour prior to your class starting.
- The portal is a live feed and shows all available classes up-to 7 days in advance, so keep checking as classes can become available at any time.
- Each enrolled student is eligible for a maximum of 2 make up lessons per term.
- If you know you are going to be away, mark your absence in advance before you leave. This gives you the best chance to be able to book your make up. **Remember:** Try to give yourself as much time as possible to book a make up as these sessions cannot be used as credits and expire at the end of each term.
- A friendly reminder that once your makeup is booked it cannot be changed. If you cannot make it to your make-up lesson, then you do not get another one.

MEET THE TEAM

Maddy

Meet Maddy! A swim teacher that teaches Toddlers all the way up to Level 2. She also works in the cafe and on pool deck, so you'll see her either wet or dry, sometimes both in the same day. Her favourite part of the role is seeing her students progress into new levels and gain confidence in the water. She used to be a Disney Cast Member, working overseas in the United States. Duck Dives, are not only her favourite thing to teach, but it's also her favourite thing to do in the water.

Meet Lara! A talented swim teacher who teaches EVERYTHING! Beginner 1 to Level 4, adults, toddlers and now pre-Squad! She loves the flexibility of our teaching schedules and adores watching students grow and progress through each level. Her favourite skill to teach is floating - on the front because it makes teaching all other skills a breeze. Something not many people know about her is that she grew up on a horse stud, and has a history of competitive riding up to state level.

Andre

Meet Andre! He has worked as a swim teacher at Saltwater for close to a year now, mainly teaching mid to high levels. His favourite part of the role is seeing his students progress. He really enjoys working on stroke development, particularly breaststroke kick. A fun fact about Andre is that he is learning how to play the guitar and is a keen ice skater!

Introducing Ava! She is an amazing swim instructor who covers classes from Beginner 1 to Level 1. Her greatest joy is witnessing children's excitement when they master a new skill. Ava particularly enjoys teaching Paddles and Kicks. An interesting fact about her is that she also works at Sprinkles Ice Cream Shop!
