SWIM SCHOOLS

## Welcome to Saltwater Swim Schools

The team at Saltwater Swim School (SWSS) are so excited to bring our programs and brand-new state of the art facility to the community of Mt Duneed!

**Double the Fun: Our custom built Aquatic facility includes 2 separate pools, allowing us to cater for all ages and abilities.**

**With a 25m, 6 lane and a 12m, 3 lane pool, our Magna pools are the perfect blend of Magnesium and Potassium minerals, providing you with the ultimate in water quality.**

**Monday-Friday from 8.30am through to 8.30pm**

**Saturday and Sunday from 9.00am to 2.00pm**

**Giving you the flexibility to plan classes around your busy lifestyle.**

## WELCOME FROM THE DIRECTORS: Directors Michael Makris and Ilyas Kondos

Having already established facilities in Point Cook and Truganina, Michael Makris and Ilyas Kondos are thrilled to continue bringing quality programs into the community and can't wait to get started at Mt Duneed.

**With over 25 years' experience in the Aquatic industry, both Directors are excited to be part of such an amazing and vibrant community and look forward to meeting everyone soon.**

# WHY CHOOSE SWSS?

## Small class Ratios

Our small class ratios ensure we find the best path-way for your child to progress and feel safe and comfortable in the water.

## Structured Level Based Programs

Every child is unique, learning different skills at different rates. Our structured level based programs are designed to meet the specific needs of each child, ensuring your child is constantly progressing and can maximise their potential.

## Water Quality

Featuring a Magnapool Filtration system which combines a unique blend of natural potassium and magnesium minerals, our water is 32 degrees and is great for allergies and ideal for sensitive eyes and skin. Our pools are also monitored by Water Synergy AOP, keeping our water balanced 24/7. This provides a live feed of our water chemistry, guaranteeing only the highest in water quality.

## Gelato Bar

With so many tasty flavours to choose from, our Gelato Bar is always popular with parents and kids alike. Create your own special taste by topping your ice cream with a choice of delectable options such as Marshmallows, MM's or sprinkles...the options are endless!

## In House Cafe

Feel like a coffee while you watch your little one splashing around in the water? Why not try a tasty cupcake or cookie after a lesson? Whatever your needs, our in-house cafe has you covered!

## Spacious Family Changerooms

Our change rooms have been designed with your comfort in mind. There are ample family changerooms that come equipped with baby change tables. Separate male and female change rooms are also provided for your convenience.

## On-going Assessments

Our friendly staff are always on pool deck assessing classes and ensuring that we are tracking the continued development of your child. This allows us to outline individual areas of improvement and accurately evaluate your child's progress throughout the term. Live updates of your child's progress can be viewed through your customer portal allowing you to have a greater understanding of what they have achieved to-date and what they need to achieve to reach the next level.

## Easy Payment Options

With prepaid as well as Direct Debit, our payment options are designed to give you the flexibility and convenience you need to suit your lifestyle.

# BUILDING SKILLS FOR LIFE

## PRE-SCHOOL PROGRAM

At Saltwater Swim, our engaging morning program runs 8.30am to 11am on weekdays.

Offering a fun and nurturing environment for children aged 3-5 years to learn swimming.

Our expert instructors provide personalized attention and support, ensuring a safe and enjoyable experience as your little ones build essential water skills and confidence.

## TODDLER PROGRAM

Our Toddler program focuses on water familiarization and aims to educate parents in water safety, awareness and survival skills in and around water.

With our highly trained teachers and a 32 degree state-of-the-art Saltwater Magnesium pool, there is no better way to introduce your little one to the water; all while creating that special bond between you, and your child.

Our toddler programs are designed for children between the ages of 6 months to 3 years and are split into two different levels:

**Toddler beginner - Classes 6 months to 18 months.**  
**Toddler advanced - Classes 18 months to 3 years old.**

Classes run every morning (including weekends) and in the evening.
