Once activated you will be able to select from a list of available classes which shows availability up to 7 days in advance. The portal is a live feed and updates regularly.

HOT TIP - If you are travelling, please advise your travel dates as early as possible so your make-ups can be registered and available for you to do before you leave.

SAFETY WEEK

At Saltwater Swim School we are looking forward to another **Safety Week commencing on 21st-27th November 2024.** In partnership with SWIMSAFE, we will focus on providing skills for life, skills that could one day save a life. The experience will be fun and will help you gain adequate water safety skills

To be a part of this, all you need to attend your regular lesson during that week and you will walk away with more safety knowledge, get to do some quizzes, rescue practice and most importantly be a safer swimmer.

SOCIAL MEDIA

Keep up to date with everything that is going on at Saltwater Swim Schools by following us on **Instagram and Facebook.**

ON-GOING ASSESSMENTS

You will notice that our Pool Deck Co-ordinators are always on deck assessing classes. As each child develops at a different pace, it's important that we continually assess them throughout the term.

Parents can view their child's progress in their customer portal and understand what their child has achieved to-date and what they need to achieve to reach the next level. When your child is ready to move to a new level, this will be communicated with you.

TEACHERS AND LESSON CHANGES

Saltwater Swim School aims to maintain consistency each term, but may sometimes need to move students or change instructors if the need arises. We will try our best to accommodate all requests, but can't guarantee gender specific teachers or classes. We appreciate your patience and understanding.

PARENTAL SUPERVISION

Parents must remain on site for their children's lessons. This ensures we can communicate with all parents in relation to the progress of their children, but also maintains the safety integrity of all lessons. Children are not to be left unattended at poolside, or enter the water until their lesson has commenced.

RINSE OFF SHOWERS

Just a reminder that showers are rinse off only (short shower). This is to ensure that everyone has the opportunity to use the facilities after their lessons.

FAMILY CHANGE ROOMS

Children aged 6+ are not permitted in the opposite sex change rooms. There are family change rooms available for your convenience.

PHOTOGRAPHY & VIDEO IMAGES

No photos or videos are to be taken in the pool area unless authorised by Management. Please respect the privacy of other parents and their children.
