## WELCOME TO TERM 2!

“We never know our full potential until we push ourselves to find it” – Travis Rice ( 3 time Olympian )

Just like the three-time Olympian Travis Rice, our team is dedicated to providing a safe and supportive environment where each student can reach their full potential. From witnessing a toddler's first hesitant steps into the pool to observing a seasoned swimmer refine their technique, we are constantly proud and inspired by our students' progress.

We have an exciting term planned ahead and look forward to watching your progress as we enter Term 2!

## POOL ETIQUETTE

Thank you to all our families who are continuing to make Saltwater Swim School such an enjoyable place to visit. For our new families, we want to share some basic pool etiquette to ensure your experience is always a positive one!

### Shower facilities:

Are rinse off only, so please limit your time in the shower to a maximum of 2-3 minutes.

### Shoes/Thongs:

Please keep your shoes under your seats or with your bag so as not to obstruct the walkway or the lane entrance.

### Checking into your classes:

Please ensure you scan in with the bar code provided in your customer portal. (See instructional video in newsletter). This ensures a smooth transition into your classes and assists our pool deck coordinators to focus on your child and their swimming development.
