SWIM SAFER – WATER SAFETY WEEK

Water safety is at the heart of everything we do, and this term we're proud to take part in Swim Safer Water Safety Week, running from **November 17–23**. Throughout the week, we'll be delivering fun, age-appropriate water safety activities during lessons—helping children build vital life-saving skills.

Our goal is to empower every child with the confidence and knowledge they need to stay safe not just in the pool, but at the beach, rivers, and backyard pools too. Together, we can make every swimmer safer, stronger, and more confident in and around water.

**DID YOU

At SWSS, we're proud to offer a truly unique swimming experience in our mineral-based pools. Infused with magnesium and potassium, our water is gentle on the skin, kind to little eyes, and leaves swimmers feeling refreshed.

We also use advanced UV filtration & ozone technology to keep our water crystal clear and hygienic, reducing the need for harsh chemicals. It's all part of our commitment to giving your child the safest, cleanest, and most enjoyable environment to learn and thrive in the water.

MagnaPool™

No swimming lesson is complete without trying some of our delicious new ice-cream flavours! With our refreshing sorbets such as Passionfruit, Green Apple and Lemon as well as old favourite's Unicorn and Birthday Cake, there is something for everyone!
