We'd also like to acknowledge Anton, our dedicated Site Coordinator, who has been with us since we proudly opened in July 2024.

Anton has been a consistent and trusted presence from day one, playing an integral role in building the positive, supportive environment our families know and value. His knowledge of our swimmers, families and programs ensures strong continuity.

Together, Jen and Anton make a fantastic team — combining fresh energy with experience and consistency — and we're excited for what's ahead for our community.
